

XMC Mortgage Corporation Celebrates 2 Prestigious Nominations in the 2019 Canadian Mortgage Awards

[Toronto, ON] – [March 2019] – XMC Mortgage Corporation is thrilled to announce nominations in the categories of Lender BDM of the Year and Lender Underwriter of the Year in the 13th Annual Canadian Mortgage Awards, the leading and longest-running awards event for the mortgage industry in Canada and top representation of outstanding service, performance, innovation and principle in the business.

Winners in all 22 categories will be selected by a panel of industry experts and announced on April 26, 2019 during a stellar black-tie awards ceremony at The Liberty Grand Toronto hosted by ET Canada's Cheryl Hickey.

"The finalists are among the industry's most dedicated, diligent and diverse individuals and organizations, and are to be congratulated for their achievements thus far," said Jessica Duce, project director of the Canadian Mortgage Awards. "They demonstrate the resilience and sheer management smarts it takes to build a thriving mortgage business today. Success stories like theirs are the lifeblood of mortgage in Canada."

"This nomination means the world to us – thank you so much! The last year has been ground-breaking for XMC. We owe much of our success to the fact that we took time to achieve clarity around our purpose, thoughtfully and with intention: Helping Canadians Move Forward means offering a solution now that serves both the short-term needs and long-term goals of individuals and communities. That's our North Star. It's the foundation of our culture that emphasizes service and excellence in every interaction, on every deal, with each other, with every partner broker and client."

~ Derek Serra, Managing Director Sales and Marketing, XMC and Nominee for Lender BDM of the Year

"The most important indicator of success though, in my opinion, is the very real and supportive feedback I receive consistently from our partner brokers:

Transparency, empathy accessibility and communication are critical to success and they are key elements of the XMC experience. I apply those values to every deal and I hope to continue helping our partner brokers and their clients. Thank you for this nomination."

~ Chiu Yeh, Senior Underwriter, XMC and Nominee for Lender Underwriter of the Year

About XMC Mortgage Corporation

An agile mortgage lender with the experience, the character and the commitment to excellence required in Canada's evolving real estate market. Since 1997, we've originated more than \$5.5 Billion in mortgages across Canada. In 2013, XMC (then XCEED) was acquired by MCAN Mortgage Corporation, a federally regulated mortgage investment corporation. Our team is made up of respected industry innovators, influencers and big-thinkers. (www.xmcmortgage.com)

About MCAN Mortgage Corporation

MCAN Mortgage Corporation (TSX: MKP), a federally regulated mortgage investment corporation, funded by CDIC-eligible term deposits, invests primarily in Canadian single-family and residential construction mortgages. (www.mcanmortgage.com)
